

# A TOUCHY SUBJECT

# Post Prostate Treatment... Now What?

[www.ATouchySubject.com](http://www.ATouchySubject.com)

## You Have Questions:

What can I do to speed things along?

What is a Vacuum Erection Device?

How does a pump contribute towards erection health?

What can I do about change to size & length?

How can I be intimate again?

## What is Penile Rehabilitation?

*Penile rehabilitation helps optimize your erectile function & sexual well-being post prostate treatment!*

Similar to working out, you need to keep this important part of your body active following treatment.

*Resources include collaborations with experts such as:*

**Professor Declan Murphy**  
Urologist

**Dr. Jo Millios, PhD.**  
Research  
Physiotherapist, MACP

## Did you know?

*Clinical literature shows that men who maintain blood flow tend to have better recovery rates.*

“ I am seeing strong signs of life in my old friend!  
~Mish, post prostate surgery patient ”
